Re: 2007-2008 Grand Jury Report Entitled: Solano County Mosquito Abatement District
Report Date: April 7, 2008

Dear Judge Garrett:

In accordance with Foremen Uebel's letter of April 7, 2008, the Board of Trustees of the Solano County Mosquito Abatement District hereby submits its response to the Findings and Recommendations contained in the above-described report pursuant to Penal Code Section 933.05.

The board of trustees agrees with Finding 1 and the recommendation has been implemented. Enclosed herein are copies of the approved minutes for the regular meetings of April 14, 2008 and May 12, 2008 which are more detailed than minutes of previous board meetings. Future minutes will also be more detailed. The board will continue its past practice of including on file with the minutes of each meeting copies of documents referred to therein and considered by the board. Anyone wishing to review the minutes would, therefore, have ready access to the documents considered.

The board of trustees also agrees with Finding 2 and again, the recommendation has been implemented. The rules for the board's proceedings were adopted at the May 12, 2008 regular board meeting as evidenced by Resolution No. 08-02. A copy of both the resolution and the rules are enclosed herein.

Finally, the board agrees with Finding 3 and has implemented the same by the inclusion of rule 6 in the rules adopted on May 12, 2008. Although the board does not have the power of removal for lack of attendance, the rule contains language governing the reporting to the appointing authority of consecutive absences by their appointed trustee.

The board would like to take this opportunity to thank the Solano County Grand Jury for its report. Also, if there should be any questions or if further response is necessary, please do not hesitate to contact District Manager Jon Blegen at (707) 437-1116.

Sincerely,
